About the Cumberland Singers

The Cumberland Singers are a non-auditioned community choir, performing each December and spring in various musical styles, including classical, popular, Broadway, jazz, folk, multi-cultural and holiday. We have been enjoying and celebrating music for over forty years—our original 25 singers first performed on June 19, 1976.

We welcome all singers of any range and ability. The only requirements for joining us are a love of singing, ability to match pitch/carry a tune, willingness to practice and learn parts, and a time commitment to weekly rehearsals and seasonal concerts. The ability to read music is desirable but not required.

The choir rehearses for the holiday concerts from September to December and for the spring concerts from January to April. Rehearsals are on Tuesday nights from 7:00 to 9:15 PM at the Mechanicsburg Middle School.

To help cover our music, staffing and other expenses, singers pay dues at the beginning of each season and are also asked to participate in fundraising activities throughout the season.

We welcome your participation in the Cumberland Singers as a singer or volunteer. Speak with one of us today for more information, or contact us any time at cumberlandsingers@gmail.com.
